

I LOVE YOU FOR WHO YOU ARE

I love you for who you are
Not where you're going, not where you've been
I love you for who you are
Not for what's showing or what lies unseen

If I must let you go, then I will let you go
I'll never stand in your way
I'll never ask the wind where it ends or begins
Really, there's nothing to say, but.....

I thank you for all you've done
Showing me freedom, being my friend
I thank you for all you've done
Giving myself back to me again

If you must fly away, I'll watch you fly away
I've never seen you in blue
I'll never turn away, how could I turn away
Really, there's nothing to do, but.....

Love you for who you are
As you love me too

If I must shed a tear, then I will shed a tear
Feeling the wind softly blow
I'll never say goodbye.
Say goodbye, how could I?
Really, there's no-where to go, but.....

Here loving who you are
For now, love I know
And I love you so
